RESORT & SPA

Escaping Safely with "MySafeZone" program

WITH ENHANCED AFTER COVID-19 PRECAUTIONS

Continue to explore the world in the new "normal" after the COVID-19 pandemic, but most important is a safe travel and a safe holiday.

At Shanti Maurice Resort & Spa, we care for your comfort and for your safety. AFTER COVID-19, we engage ourselves to provide to our guests a safe environment with enhanced health protection through fully sanitized room and public areas; a promise to a peaceful, private and uncongested venue.

Our entire team is trained to provide the most care through social distancing and privacy; yet ensuring excellent customer service for a leading hospitality in safety and comfort.

Our Boutique Lifestyle Beach Resort is spread out over 36 acres of lush vegetation and offers only 61 Suites & Villas; the Estate is guaranteed crowd free. We promise the privilege of space for utmost privacy of our guests. With a certified sanitized Estate, Shanti Maurice is your next safe dream getaway assuring your peace of mind.

AFTER COVID-19 precautions include our #MySafeZone program which cares for a complete review and adaptation of operational exigencies. We reassure that our sanitized measures, products used and hygiene protocols are certified, licensed and audited by the leading local hygiene company Diversey and SGS. We also have an in-house dedicated Health & Safety team as well as a partnered medical team from the Clinic Du Nord.

Take advantage of our pre-stay communication with our dedicated concierge team, who will be glad to organize your next hassle-free holiday in our corner of paradise.

We look forward to welcoming you soon.
